PROFESSIONAL EXPERIENCE

Kinsey Institute for Research in Sex, Gender, and Reproduction, Director of Library and Archive (2008-present), Head of Library, (1998-2008)

Responsible for the direction of the Kinsey Library and collections, including strategic planning, administration, budget, fundraising, space and personnel. Set goals, policies, procedures and establish priorities. Oversee all aspects of the print collection, archives and video/film collection including access, organization, development and preservation/conservation. Direct library operation and projects including archives, automation, films, conservation/preservation and OCLC

participation. Coordinate grant-funded projects with archives and renovation projects. Hire, train, evaluate and supervise full time staff, work-study students, hourly, graduate students, interns, and volunteers. Develop donor relationship; establish planned gifts, endowment funds, digitization funds, and new library services and initiatives.

Kinsey Institute for Research in Sex, Gender, and Reproduction, Interim Director of Development (2013-2015)

Oversee the development programs (mid-year appeal, annual appeal, and special events) and identify, cultivate, solicit and steward major gifts. Supervise Associate Director of Development (from November 2013-April 2014). Work with Kinsey Board about Board giving.

The Kinsey Institute for Research in Sex, Gender, and Reproduction, Bloomington, Indiana, Head of Technical Services, 1990-1997.

Oversee the department operation, budgetary planning and staffing. Prepare library materials budget and departmental operational budget. Select, acquire and catalog materials in sex, gender and reproduction. Plan and coordinate the library automation system (NOTIS) implementation. Direct a non-US MARC to US MARC conversion project. Build and maintain both bibliographic and authority records in NOTIS. Manage library donations. Hire, train, evaluate and supervise all support staff.
